The First Few Weeks

During the first few weeks of school, while we are getting to know each other, we spend time each day learning basic procedures and building a class community. I want the children to feel secure and supported as well as excited about learning. Kindergarten is an important year for a child's future school experience and it is vital to make it a positive one. That means providing a balance of challenging academics while making their learning fun. We have already spent a lot of time working on becoming good readers and building our knowledge of letters and sounds. Please read with your child daily!

Communication

Everyday the homework/communication folders will come home (blue folder). Each day you will see a grade for work habits and conduct. In it you will find the previous week's completed work as well as any communications from me the principal or the PTA. I view your child's education as partnership and I encourage your feedback and participation. If you have any questions or concerns feel free to contact me. The best way to reach me is through email. My email address is dngoodwin@wcpss.net

Also, the webpage will be up by the end of the week. I will send a See-saw message and/or email and let you know when you can check it out.

- If you have a transportation change, you must send a note.
- Volunteers must sign up in the Media Center
- August 2-8 Go Play Save Fund-raiser
- August 16th-Track Out

If you have not joined the PTA please consider joining.

A big Thank You to everyone who sent in supplies.
