- C** **Math**
Representing teen numbers
- t** Counting by 1's and 10's
- i** Count objects to 10
- V**
- e**
- S**

Second quarter is here and so is fall. Well at least it's fall on the calendar. Hopefully, the temperature will feel like fall soon. This fall we are busy working on reading skills and strategies. We are working on build our stamina to read for longer periods of time. Did you know there are 3 ways to read a book? You can read the pictures, read the words or retell the story. We are also working on cross checking. That means looking at the pictures and the first letter of a word. Try it and ask yourself... "Does it look right?" "Does it sound right?" "Does it make sense?" Reading everyday is so very important for many reasons. It helps with vocabulary development, fluency and comprehension but most of all early reading skills are directly related to future academic success. Take advantage of the **Readvolution** program and read everyday!

Field Trip Coming Soon! Oct. 24th

If you want to chaperone make sure your volunteer application is complete and email me letting me know. Also, fill out the attached form for lunch and return it ASAP.

Conferences

If you have not already signed up, please visit my webpage and use the sign-up genius to choose your time slot. We will discuss all assessments and the progress your child has made so far this year.

Readvolution

Please have someone read with your child 20 minutes a night or they can read using Raz-Kids. Log their time for a chance to win tickets to a Hurricanes game.

Coming soon... Parent Academy Night October 28th
